Subject: AW/346/21/T

Planning reference: **AW/346/21/T**

I have undertaken a desktop review of Tree Preservation Orders which may affect this plot. My understanding is that TPO/AW/3/96 and TPO/BR/1/79 could apply. I have been able to access the supporting Schedule and Plan for both Orders and am confident that these trees are not the subject of either. Therefore, I conclude our consent to carry out the proposed work is not required.

Furthermore, from online resources I am satisfied they are not of sufficient public amenity value to justify the making of an individual Order to preserve their place in the landscape.

My recommendation is that **the applicant be invited to withdraw their application and advised to proceed without further recourse to this Authority.**

Kind regards,

Mark Warwick
