Good Afternoon, Hannah

Many thanks for the info and comprehensive reply.
The application can be withdrawn with my full consent.
For reference in the future is it wise to still make an application if the address is under a blanket tpo?

Many thanks,

David.

I visited this location on 26th November.

I have undertaken a desktop review of Tree Preservation Orders which may affect this plot. My understanding is that only Bognor No2 (Area Order) could apply. I am confident that none of the trees listed in the application would have been established at the time that Order was made (1958). Therefore, I conclude our consent to carry out the proposed work is not required.

Furthermore, I do not believe they are of sufficient public amenity value to justify the making of an individual Order to preserve their place in the landscape and/or control future management.

My recommendation is that the applicant be invited to withdraw their application and advised to proceed without further recourse to this Authority.
