Dear Mr Homer,

I have received comments from our tree officer for the works proposed for the above application at 2 Heghbrok Way. The current application has been decided for refusal in it's format, however if you were able to agree to the proposed works below, our tree officer would be able to approve this application:

I would like the applicant to be invited to agree to a revised proposal for lesser works (by removing the work proposal for T1) as part of the current application so as not to incur further delay.

If you agree to this revised proposal please can you email me back to confirm this by Thursday 28th January at 15:00. If I do not receive a response your application will be refused.

Many thanks
