

Merton Down, Wessex Avenue, Aldwick, PO21 2QW
Householder Application
Drainage Statement

Foul Drainage – The proposed works are only slightly larger than the existing dwellings footprint and existing kitchen, WC and bathroom facilities exist at the property. The amount of additional waste water will be minimal. The foul drainage will connect and discharge into the existing dwellings system and then into the mains sewer.

Surface Water - The existing surface water drainage system will be utilised for the extended property, the minimal addition to the floor print of the property will have a no impact.
