FAO - Nicola Moore.

Dear Nicola, in response to your email and our telephone conversation of yesterday, I wish to provide you with the following information;

I can confirm that the tree was not in situ in 1958. It was planted in the mid 1990's

I discussed a crown reduction of 2-3 metres with the tree surgeon.

I can confirm that the tree is located in our rear garden of 19 Wychwood close and that we are the owners of the property.

I hope the above answers your queries.

Thanking you, best wishes Andrew Archer.
