Subject: Tree Planning Application

Dear Mr Denton,

Tree planning application : AW/354/17/T

I was hoping to receive permission to carry out minor pollarding of the 2 lime trees by now. I appreciate you are very busy, but could you kindly have a look at this application.

This is a straight forward application to remove new growth since last tree works, agreed a couple of years ago by your tree officer.

The tree surgeon were booked in November 2016 to carry out the works this Friday and if permission isn't granted, it may not be possible for them to carry out the work until the autumn.

Thank you for your assistance with this matter,

Kind regards

Adrian Cobb
