Dear Mr Stevenson,

Thank you for those details. Having gone back into the application today I have noticed I'm still awaiting a clearly labelled plan. The one which has been sent in has 5 trees marked out and although the trees are numbered there is still no reference back to this in the description.

I would be grateful if you could provide this information.

Kind regards,

Hi Kathryn

They would be the proposed spread measurements as the branches to be removed are only on one side of the tree which are overhanging patio area and also the Garage

Kind regards

Dear Mr Stevenson,

Many thanks for the additional information you have sent in.

Could I just confirm one more thing, the spread measurements provided are these existing or proposed spread measurements? We require the proposed spread measurements.

Kind regards,
