Hi Nicky,

Hope you had a good weekend ☺

Could this be made into a TC application and then processed.

Thank you

Julie

The tree in question is a small golden macrocarpa. In my opinion the trunk width makes in questionable whether it falls within the definition of a tree that would require planning consent.

Would you be able to confirm if I can remove the conifer, or whether I would need to apply for consent. I would be grateful to get this dealt with asap to lessen the hazard it presents.

I attach three photos of the tree. It is located on the eastern end of the south service road, 16 Kingsway, Craigweil Private Estate.

Thanks for your help in this
