Dear Mr Leal

Planning Application AW/360/14/HH
91 The Fairway, Aldwick Bay Estate, Bognor Regis.

Thank you for your e-mail.

The proposal is to remove the old overgrown conifer hedge from the area of the extension. This hedge is far too large for the location and in poor condition. The roots will be grubbed out and the soil prepared for a replacement hedge.

A replacement hedge of *Ligustrum ovaliflorum* (privet) is proposed, 450 stock plants at 300 centres in well composted soil and well mulched. This is indicated on drawing 9B.

We enclose 4 copies of drawing 9B as substitute for 9A originally submitted, will you please accept this for the application.

If any aspects of the application still concern you please contact me before the application is determined.

Yours sincerely

John Baldwinson
