Subject: AMENDED RESPONSE. Please ignore earlier message today. Prior Notification Of Works To Tree(s) In A Conservation Area - AW/361/18/TC
Importance: High

Application ref: **AW/361/18/TC**

Location: 216 Manor Way, Aldwick PO21 4HS

Works proposed: Crown reduction approx. 6m to 1 No. Sycamore tree within the Aldwick Bay Conservation area.

I visited this location on January 15th 2019, to determine the aforementioned Town & Country Planning Act 1990 (as amended) s211 Notice.

I am satisfied that the works proposed will not result in character of the surrounding area being diminished.

I raise **No Objection** to the works that have been applied for and see no reason to make a Tree Preservation Order in this instance.
