Hi Mr Tidey,

I have attached the Order and relevant plans to this email.

I believe that the property falls in Area A1 of the Order, so any trees that were there in 1958 or before will be covered by the TPO.

Many thanks,

Zac

Hello Mr Denton. Thanks for your prompt reply.

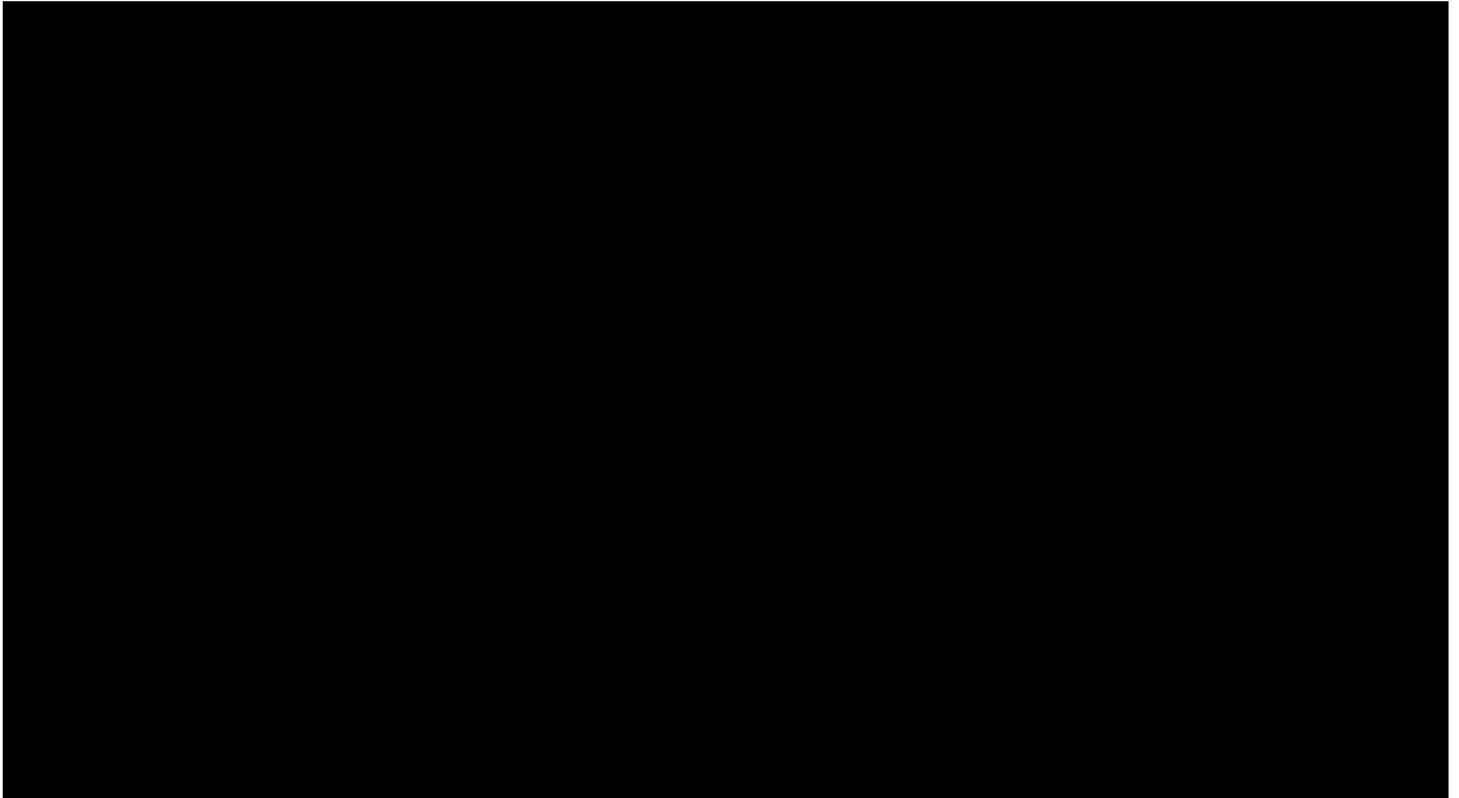

I am unable to locate the required information from the online service; please could you inform me of the Information regarding this Tree Preservation Order BOGNOR 2/58.

I will then happily supply the required information.

Kind Regards

Ben Tidey

Good Morning Mr Tidey,

The trees are located within BOGNOR 2/58, as the applicant it is your responsibility to inform us as to whether the trees are old enough to be covered by this order or not. Please can you confirm that the trees are not old enough to be covered by this order.

When the Council's Arboriculturalist visits the site he will double check, as to make sure that the information provided was correct.

Many thanks,

Zac

Hi Zac,

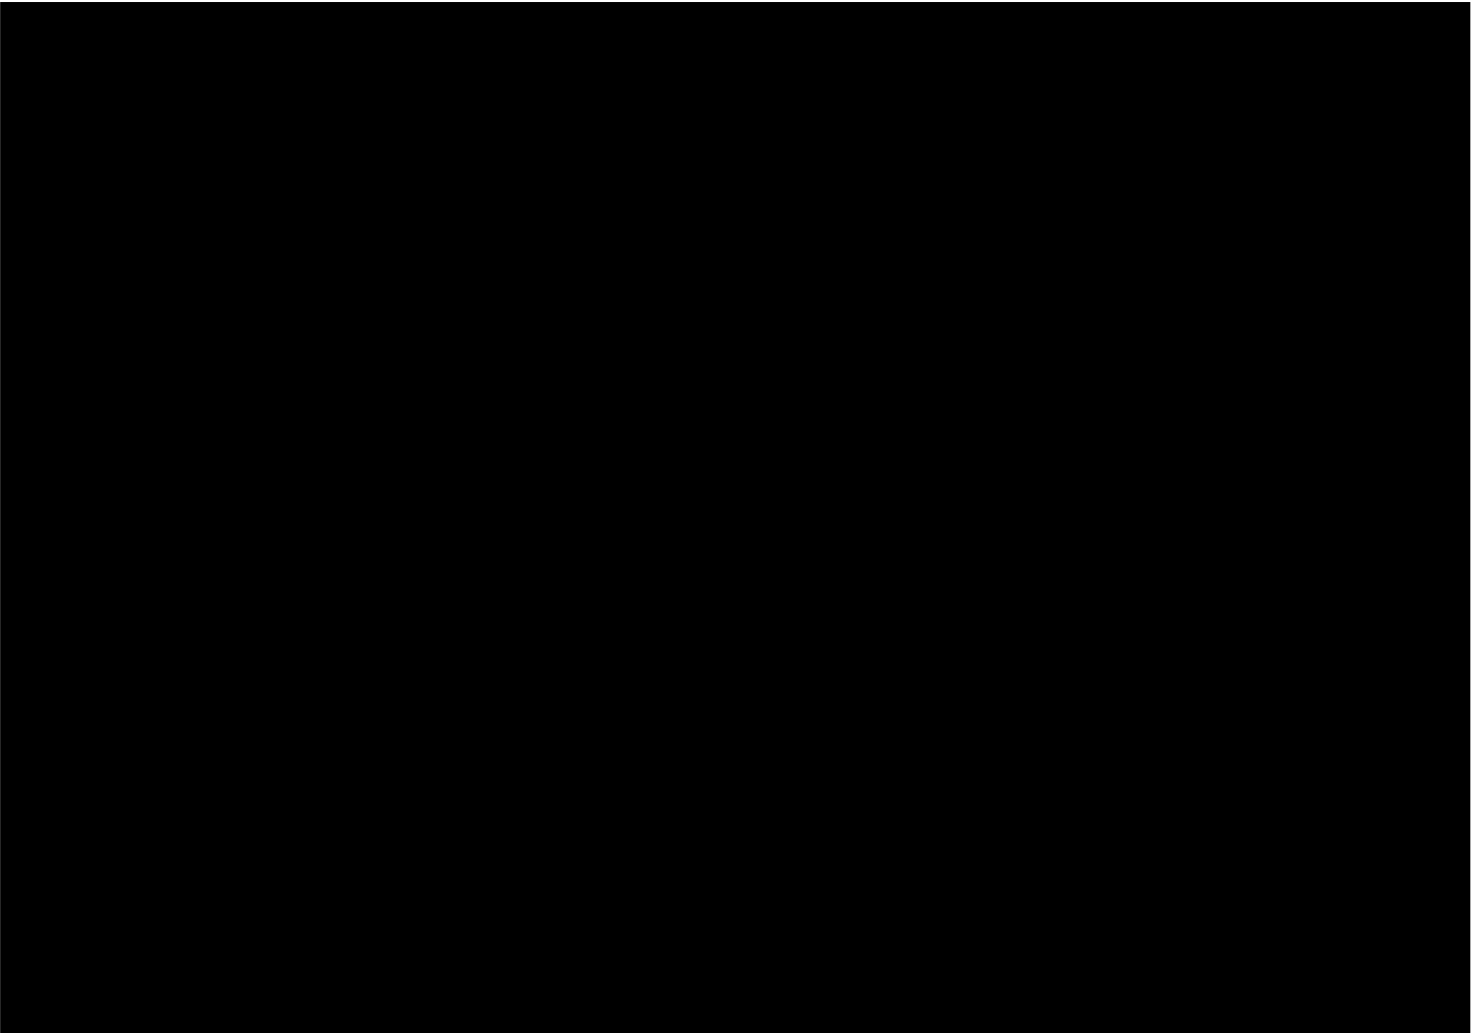

Thanks for the email earlier today. Can you confirm that the trees are not located within the TPO area BOGNOR NO.2 as indicated by your online mapping. As the area is shown as being covered by a TPO, I ask this as you only have issued under a 211 notice (cons area).

Thank you

Kind Regards

Ben Tidey
