Dear Mr Russell,

We have now received the comments from the Tree Officer on your submitted application AW/363/18/T and having received these comment your application is currently set to be refused. I have attached the Arboriculturist's comments, he has however provided advisory comments:

I would like to see the applicant submit a revised specification seeking lesser work, such as detailed below, which would seem to address their concerns whilst preventing a diminution of the tree's landscape and public amenity value:

- Reduce back branches on south aspect to clear residential building (at 19 The Oaks) by maximum of 3metres.***
- Remove low branches as necessary (crown lift) to achieve maximum 3metres overhead clearance above property.***

Please let me know of the advisory comments are acceptable and I can then amend the description to be in line with the recommendation and write the application to recommend approval.

If you could please confirm by Friday 22nd February, I will await your response.

Many Thanks

Charlotte
