Dear Ms. Willard, further to the above application, submit the following additional information:

1. I understand that the tree is possibly a Stone Pine.
2. I attach 2 photos also for your information.
3. The reason why I'd like to fell the tree is because it is self seeded, growing very high quickly, very close to my neighbour's fence and quite close to my basketball backboard and my garage as well as creating a lot of shade and mess when the needles drop.
4. The tree is in my back garden with no TPO and not really visible from the road /the Conservation Area Street scene.

Hope the above helps.
Many thanks.
David M. Lowe.
