Good Morning Mr Hilton

Thank you for confirming the number of saplings to be removed.

Further to my last email, can you please confirm how many saplings require a crown reduction.

Kind Regards

Nicky

Hi Nicola,

Further to our phone conversation, below is what you require.

Bay Saplings at bottom of garden 3 or 4 rows, I want to take 2 rows out and want to reduce height of saplings left to cover site line of Bungalow from back garden.

Tree 1 I think is a bay which has large hole at its base, tree specialists say it's decaying from the inside and should be taken down.

Tree 2 is a Sycomore which is a sapling come in from next door, it needs to come out as it's too big for the garden.

I hope this is ok to move this forward as soon as possible.

Regards,

Derek Hilton-Jackson.
