

Craigweil Private Estate Ltd.

CPEL have commissioned a survey, by Arun Tree Company, of the trees of influence that stand on land owned by the company. These 31 trees are the larger specimens, which generally are the more mature of the stock on the estate.

Pages 1 to 3 of the report details each of these 31 trees, giving information on its situation and general condition.

Page 4 of the report details work that is recommended, sub-divided by priority.

This application is for consent to carry out the work detailed on page 4.
