Subject: Prior Notification Of Works To Tree(s) In A Conservation Area - AW/38/19/TC

Application ref: **AW/38/19/TC**

Location: Craigweil Manor, Craigweil PO21 4DJ

Works proposed: Reduce easterly crown spread by approx. 2.5m to historic pruning points and reduce crown height by 1.5m to 3 No. white poplar trees within the Craigweil House, Aldwick Conservation area

I undertook a desktop review on February 8th 2019, which was adequate for me to determine the aforementioned Town & Country Planning Act 1990 (as amended) s211 Notice.

I am satisfied that the works proposed will not result in character of the surrounding area being diminished.

I raise **No Objection** to the works that have been applied for and see no reason to make a Tree Preservation Order in this instance.
