Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended) s211 Notice

Crown reduction to 1 No. Oak tree to height and spread 8 - 8.5m within the Craigwell House,
Aldwick Conservation area
68 The Drive Aldwick PJO21 4D

I refer to your recent notification of your intention to carry out the above mentioned works and write to inform you that, after consideration of your proposal, it has been decided

- This tree requires careful management that respects its age and vulnerability to environmental changes and disease progression. The tree work proposed in the application has not been justified on arboricultural grounds.

- The proposal to reduce its height and lateral spread to the stated dimensions does not comply with 'British Standard (BS3998:2010) Tree work - Recommendations' and would be likely to result in harm to the health and vitality of the tree with large pruning wounds being formed as well as undermining its visual amenity value and impact in the landscape.

I trust this is of assistance to you.

Yours faithfully

Neil Crowther
Group Head of Planning
