Dear Rhiannon,
Thank you for your message below.
I am grateful that works can proceed, (albeit, later in the year now), if I agree to the revised proposal for my application. I confirm that I agree to the revised proposal as set out below.

- *Reduce branches to leave a minimum height of c15m and radial spread of minimum 4metres on all aspects when measured from bark of the main stem.*

Kind regards
Vivien Andrew

Good afternoon,

I am the case officer for this application. Please see attached for the full consultation response from the Council's Tree Officer.

As it stands, he is unable to support the application and seeks you agree to a revised proposal for lesser works as part of the current application so as not to incur further delay. As such, please review the following amended description and confirm your agreement so that works can proceed with consent:

- *Reduce branches to leave a minimum height of c15m and radial spread of minimum 4metres on all aspects when measured from bark of the main stem.*

I would appreciate your response by way of written confirmation by 8/5/26.

Kind regards,
Rhiannon
