Application No: AW/3/21/HH

Description of works: Single storey rear extension and loft conversion with enlarged rear dormer window and two modest front facing dormer windows. Alterations to fenestration, Canopy to side elevation, Planter and replacement handrail to roof terrace.

Thank you for your internet representation made on 17th February 2021 which has been recorded as support with the comments as follows:

OWPC33882

I work for a very well established estate agents in Bognor Regis. I spoke with Mr & Mrs Delaney on a consultancy basis last year with regards to what prospective buyers are looking for on beach estates in the area. The key desirability factors included an ample master bedroom with ensuite, spacious wardrobe and sea views, along with beach style cladding and a spacious open plan ground floor living area.

I can see that Mr & Mrs Delaney have taken great care to align their alterations with those that have already taken place on the estate as well as creating extra living space for their growing family and creating a very desirable home.
