Dear Sirs

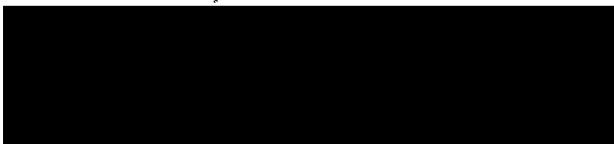

Tree canopy reduction

I enclose a location block plan and sketch plan showing the sycamore tree and canopy at 9, Hornbeam Close in support of my online application to reduce the canopy.

We do not have a formal quotation at this stage but have received advice from Mr Edward Cleary of Stephen Bacon Tree Services that the tree is in need of a canopy reduction along the lines of the last reduction some 7 years ago – reference AW/268/14/T.

We look forward to receiving permission to proceed with these works before we are overtaken by the spring growth and look forward to hearing from you. Should any further information be required, please let me know.

Yours faithfully

Anthony Krarup
