Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Application No: AW/41/26/T
Site Address: 25 Wychwood Close Aldwick PO21 4DW
Description of works: Fell 1 No. English Oak (T3), fell 1 No. Silver birch (T5), fell 7 No. Sycamore trees (G7).

Thank you for your internet representation made on 16th March 2026 which has been recorded as support with the comments as follows:

OWPC82162

I strongly support this application. The trees along this section of the ditch are in need of management. Recently some trees have died and one has come down across a neighbour's garden. We are cautious about using the bottom of our garden due to dead wood falling from a dead oak (T3). The sycamores are self seeded and have grown up in the last 10 years blocking light and killing plants underneath them. Also the banks of the rife are crumbling and may not be able to support the weight of large trees in full leaf in the summer.

I like trees but believe they need to be properly managed especially as they are in such proximity to residential properties

Your views as made above will be considered before the application is determined.
