LACK OF PRIVACY. Removal of trees and shrubs will mean my living room and also my bedroom will no longer be shielded by trees and open to existing houses all around me. Plus new buildings will also take away my privacy, of a pleasant and quiet outlook of trees and plants. Many windows from existing houses will face my living room and bedroom. Noise from new houses plus car noise plus noise from extra people in houses and gardens. I object to my peaceful existence being changed. I object to my pleasant outlook onto trees and shrubs that provide privacy being destroyed. I object to any new buildings being built that take away the view of trees and shrubs. I do not want to see any new buildings on this land and the extra people and noise it will generate. This is my objection to building work at 261 Aldwick Road. Aldwick. Bognor Regis. I live at Malmayne Court.
