Dear Sirs,
Re: AD/43/18/00T
261 Didcot Road, PO21 3QU

I strongly object to the above planning application relating to property at the back of the complex (261 Didcot Road).

Our outlook from the complex is pleasant enough with a view of a variety of trees & shrubs, more importantly our privacy, there is no constant traffic noise as we have H1 and to front so far hope of of 200m to 300m or to common garden field is very

peaceful. The proposed development
will affect the overall of the complex
& all those living closely. It will be
always been a desirable area to live
& not want like to remain.
