Hi Simon,

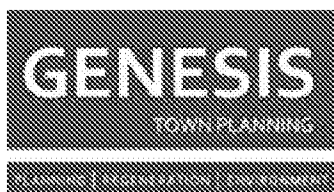

Thank you for your email.

Given that the application target date was originally 17th April I would have concerns about agreeing such a long extension of time, especially considering we have now addressed all the issues raised by the tree officer. We consider an extension of time until 20th July should be sufficient to conclude this application and hope you would agree, in order to give the applicant some comfort.

Kind regards,
Natalie

Hi Natalie,

Certainly that would be helpful but I don't know for sure how long is required. I was going to say could we agree 3 weeks from now but then I'm on holiday w/c 23rd July and it is Committee week before that. Therefore, could we agree to the 3rd August please?

Kind Regards
