Dear Natalie,

I am now in receipt of further comments from our Tree Officer which I attach for you. As you can see, the objection still stands and we require further amendments to ensure no risk of damage to the protected trees.

I am currently in the process of writing the application up and I will continue to do so. If you want to have the opportunity to amend the application further then please agree to an Extension of Time until the 17th September. If you are unable to agree to this then I will make my decision by the 19th August and I will be recommending refusal on grounds of harm to important trees.

Kind Regards
