Dear Mr Tyrell,

I have been looking over your current application that you have with Arun District Council at Lawnswood, Dark Lane, Aldwick.

I have found that the majority of the proposal is acceptable, however, I am having some issues with the proposed carport. It is currently 4m high, with a pitch roof, would you be open to a proposal to potentially lower the height of the roof? What about if the roof were to be made a single pitch/cat slide roof?

If not, would you considered removing the carport from the application? This would allow the rest of the application to be approved while negotiations relating to the carport continue.

I look forward to hearing from you in due course.

Kind regards,

Z Denton
