Hello Richard,
Thank you for your email.
As our revised plans state, the roof tiles for the extension are to match the existing dwelling.
Many thanks again for your help.

Dear Angel,

I am looking at the materials today but I still need the Conservation area Officers comments re: materials. I am wondering if the proposed roof tiles are to match the existing building. I have also copied in your planning agent to this email so that they are up to date with what is being discussed.

Please could you get your agent to confirm whether the roof tiles are to match those of the existing dwelling.

Yours sincerely

Richard Castro-Parker

Dear Mr Castro - Parker,

Please can you let me know if you have received the sample of composite cladding that I dropped into the Arun Planning office for you last week?
Please can you let me know your thoughts on the materials at your soonest convenience?
Many thanks
