Dear Miss Burrows

Further to our telephone conversation on the 28th Feb. 2017 the trees in question are beech trees. I would like the branches to be cut back 5 metres as they are so very big now apart from how close they are to my property. They are taller than my house and the branches stretch nearly halfway across my back garden.

I can leave my back gate open for Richard Martin to inspect the trees as I work.

I look forward to hearing from you.

Yours sincerely
