Hi John

Thank you for the amended plan. Please could you also amend the red edge on the Location plan so that it is around the complete site.

Kind Regards

Nicky

Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Hi Nicky,

The existing window from the previous extension is 2m in width and will remain unchanged, the application reference for it was AW/160/11/BR

Please find attached the block plan in red with measurements on it

Kind regards

John

Hi John

Please find attached a copy of email sent regarding the additional information required to validate your application.

With regards to the South Elevation window, please can you provide the application reference for the extension that was previously approved and confirm that the window on the South Elevation will remain unchanged.

Kind Regards

Nicky Moore

On your email it mentioned a 3rd window/door, it may look like that somewhere but not too sure where you mean as we have only planned to have the bifold and the french doors at the rear and the rest would stay the same.
