Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Planning (Listed Buildings and Conservation Areas) Act 1990
Town and Country Planning (Development Management Procedure) (England) Order 2010 (as amended)

Application for approval of matters reserved by condition imposed under AW/211/14/PL relating to conditions 3, 6, 11 & 12 relating to window detailing, watercourse access & maintenance, Servicing Management Plan & pedestrian improvements.

The Ship Inn Aldwick Street Aldwick

Thank you for your internet representation made on 10th March 2015 which has been recorded as '**an objection**' with the comments as follows:

The Morrisons's store is totally unwanted and now they feel they can do exactly as they please with no regard to the community or area. The store should be closed down immediately due to the fact that they have endangered life both due to the lack of pavement, crossing and car park exit. They have spoiled the appearance and character of the locality by filling the windows with garish photographs of food instead of the pictures of the Ship pub, which are freely available. They have put up lights which are detrimental to their neighbours and motorists. The store should also be closed immediately as it shows total disregard for Arun District council and Morrisons are obviously not interested in serving the local community.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no

further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
