Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Planning (Listed Buildings and Conservation Areas) Act 1990
Town and Country Planning (Development Management Procedure) (England) Order 2010 (as amended)

Application for approval of matters reserved by condition imposed under AW/211/14/PL relating to conditions 3, 6, 11 & 12 relating to window detailing, watercourse access & maintenance, Servicing Management Plan & pedestrian improvements.

The Ship Inn Aldwick Street Aldwick

Thank you for your internet representation made on 16th April 2015 which has been recorded as **'an objection'** with the comments as follows:

The Planning and Development Committee gave permission for one pub style hanging sign at their meeting in December 2014 and that is sufficient. Where the Ship Inn is situated is an area of special character and the present additional signs erected by Morrisons without planning permission are completely out of character with the area. The glass doors on the east side of the building are sufficient notification that there is a shop there without additional signage and the hanging sign on the south elevation is visible for traffic coming from both west and east. Morrisons are just trying to bully ADC after had heir initial application turned down

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
