Dear Mr Williams,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Application for Works to Trees(s) subject to a Tree Preservation Order(TPO)

Development:	Oak TPO/AW/174/10, oak tree has a mass of dead and is not in the best of conditions, I'd like a light reduction and dead wooding done, tne tree is also becoming to big for our driveway.
Location:	Oak Tree Cottage Acorn End Aldwick PO21 4JA

Thank you for the information you have sent following my previous letter. Unfortunately I am still unable to accept the application as valid until the following matters are resolved:-

Please submit a plan clearly showing the location of the tree as it is not clear on the submitted aerial photo. The plan should include road names and adjoining properties so that the location is very clear. A North point is also helpful. Further information on what is required can be found on our Validation Requirements.

Please provide the proposed height and spread measurement, in metres, of 1 No. Oak tree after the proposed reduction.

For further guidance, please refer to the list of validation requirements for tree applications on our website:https://www.arun.gov.uk/making-a-planning-application

If you are unable to access the website, please contact this office so a copy can be sent to you.

If providing additional documents or information, please email it directly to us at: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **17th March 2022.** If this information is not received by this date, I will close the file as incomplete and you will have to submit a fresh application.

If this letter has crossed with you providing the information, please ignore it.

Yours sincerely

Neil Crowther
Group Head of Planning
