To register to receive notification of planning applications in your area please go to www.arun.gov.uk/planning and click on Local Planning Application Finder

Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Dear planning,

We have noted the new planning application completed by our neighbours at no. 59 Carlton Avenue (we live at no. 61).

Our neighbours had informed us that they were planning to raise the roof and put dormers in, but had told us that on our side that they would be putting wardrobes. On the current plans, there are 2 dormers and a velux on our side which would give them direct views into our garden, patio and also into our newly extended lounge. We are very concerned that we would lose all privacy.

We request that the plan is reviewed in light of this.

Thank you in advance.

Lisa Pilling on behalf of Carol and Chris Clarke (no. 61 Carlton avenue)
