With regards to your request for

“A statement should be provided identifying the method of undertaking the works to any important features (such as historic walling or important features) will not be harmed during the construction phase.”

We don't feel this request provides material that is a material consideration.

The works propose the replacement of the existing windows only, therefore the walls or other features will not be altered in any way.

As such we feel that this email addresses the request for information

Kind Regards

Ben Kirk MSc, IHBC
Managing Director
