Dear Mr Dean,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Application for Works to Trees(s) subject to a Tree Preservation Order(TPO)

Development: This application relates to work on 1x Monterey Cypress tree, identified as tree number 4 on the accompanying plan at 11, Waters Edge, Aldwick. The application is to undertake a partial crown lift so that the lower crown is uniform around the entirety of the tree i.e. lift the lower crown on the eastern side of the tree to the same height as that on the western elevation. This will mean lifting the lowest part of the tree crown by approximately 3 metres. The reason for doing this is to retain the formal shape of the tree. No crown reduction work is proposed as part of this application.
