Hi Simon,

Just back from holiday - I agree to the extension of time as necessary.

For reasons of clarification I attach a copy of the proposed elevations – we are currently seeking details from the supplier but they assure us that the balcony glass will be 'non-reflective' – please let me know if you need further information on this point.

We are speaking with tree specialists for the information required for the tree protection plan and I will forward this detail on to you as soon as it is available.

Kind regards,

Chris Moore
