Technical Support Unit on extn. 37711

26th February 2018

Dear Mr Kevin O'Grady

Development:

The house is 90 years old. The roof is leaking in several places, the internal roof lining is worn out, and needs to be replaced. The tiles must be removed to do this. Many of the clay pantiles are damaged and more will break during removal, leaving too few to reuse. These tiles are no longer available. The proposed Marley Lincoln clay pantile in Rustic Red is a classic clay pantile, with a traditional S-curve profile, very similar to the existing tiles. Designed to resemble reclaimed pantiles but with the benefit of being new and conforming to the latest tile fixing requirements BS5534. They have a semi-sanded finish, not shiny
