Good afternoon,

Thank you for providing the location plan. The block plan appears to be in a word document, could you please provide this in PDF format?

Kind Regards

Good afternoon,

Yes, you can send the location and block plan via email, that's no problem. I have also attached a blank CIL form for you to complete and return.

In regards to the elevations, I have attached some examples below.

Kind Regards

Ms Malik

Good morning Iqraa.

Hope you are well, my name is ryan and i am currently putting a planning application in for a fence. I have received a email saying that the block plan location etc, i cant upload the new ones you have requested on the planning portal.

I was just wondering can i send you the block and location plan to this email address or is there somewhere else you would like them sent/uploaded too.

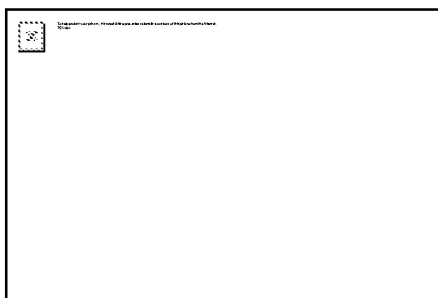

Also we are struggling to how we go about getting the elevations plan done. Please could you help with some guidance or recommendations as we are only requesting to put a fence up not an extension.

Speak soon

Regards

Ryan Jones
