Objection to AW/5/21/HH

Dear Amber Willard

We strongly object to this application as it is against the **Open Plan Garden nature** of the West Meads Estate.

All residents deeds state that no enclosure should be constructed in front of the building line which would include the side of a corner plot and would also go against the **Parish Design Statement, Aldwick Parish Council June 2015** pages 68-71, particularly page 71. (boundary treatment should not compromise open plan character of the area) etc.

If allowed this would set a terribly bad precedent for the whole estate.

Yours faithfully
