Hi Nik,

Thanks, all is well. Nice to hear from you. This application has been reallocated to Zac Denton so I'll pass the email on to him.

Cheers

Subject: AW/62/18/HH - 15 Regents Way

Hi Simon

I trust all is well I have been tracking the application on the Council's website and note the consultation period doesn't expire until the 12th April but that to date there are no consultation comments.

I don't believe this proposal to be controversial but do let me know as soon as possible if I can be of any assistance or if you have any queries.

Just so that you are aware I am getting married on the 21st April and away until the 7th May. If the application isn't determined before I leave and you require any assistance during my period of absence please contact Michael Wood architect in the first instance.

Otherwise if it is a matter that you would prefer to wait for my return I will agree the Extension of Time if necessary to allow you to keep the application live to allow discussions.

Kind regards
