Dear Charlotte,

Re: AW/62/19/T

Thank you for your letter today, I have read the content and agree I would like to alter the description of works and follow the advisory comments made by the tree officer. The full description of the work to be carried out as you state in the advisory comments would be explained to the tree surgeon, who would carry out the work involved if you agree to that taking place. I would be grateful in getting an answer of confirmation as soon as possible, as the leaves will soon be out and its easier to see with bare branches.

I look forward to hearing from you soon. I trust this reply is in order by sending it by e-mail.

Regards

Roy Mawbey

Dear Mr Mawbey,

I write to you regarding the recent application submitted for 12 Alexander Close, Aldwick – Aw/62/19/T.

We have received the comments from the Tree Officer and as it stands we are set to refuse your application based on his comments. However, he has provided some advisory comments – please see attached.

If you would like to alter the description of works and would like to follow the advisory comments I will be able to issue a decision for approval. They are as follows:

- **Crown lift by removing no larger than secondary branches (maximum diameter of 50mm) to achieve a maximum of 6metres overhead clearance on all aspects.**
- **Reduce back branches on west aspect of tree only, to achieve a maximum of 4metres clearance from built structures.**

If you could please confirm in writing by Tuesday 16th April how you would like to proceed, I will issue a decision as soon as possible for you.

Many Thanks

Charlotte Easton
Planning Officer.
