Dear Mrs Stroud,

Re: planning application AW/63/11

Following our conversation last week and Arun's refusal relating to the above application I have met the applicants on site. In my view, although the planned extension is quite large it seems to be no different from similar alterations carried out in the past by at least four of the immediate neighbours. Considerable effort has been made to retain an appropriate front elevation and I would like to record that the Board supports the current application.

May I say that I have advised the applicant to consider slightly modifying the current plans that have been refused and resubmit rather than go to appeal.

Yours sincerely,

In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee.
