Dear Karl,

Thank you for your mail.

The Mimosa tree has grown enormously over the past two seasons, and is in danger of becoming a hinderance to the enjoyment of our garden, and our neighbour's garden through shading. It is not visible from the street (apart from the very top of this past season's growth) and was planted fairly recently by a previous owner of my house.

I intend to reduce it back to the size it was two seasons ago. This would mean reducing a small number of branches by 1.5mtrs and the majority by 1mtr.

With regard to the advice re finding forms, I am not clear what you require. Do you wish me to complete the whole 'Planning Portal' process? I can't think this would be necessary as I understood from your colleague Joe Russell-Wells that I only needed to inform you by e-mail, which I have done, giving an explanation and attaching a photo.

Do you require that I complete this form?

http://www.planningportal.gov.uk/uploads/appPDF/C3810Form031_england_en.pdf I cannot as yet find a form on your website that relates to the query regarding amount to be reduced. I would be grateful for your advice. If there is a simple form please send me a link.

Thanks for your help
