Plan (October 2014):

PLANNING POLICY GUIDANCE

NPPF

National Planning Policy Framework

POLICY COMMENTARY

The Development Plan consists of the Arun District Local Plan 2003, West Sussex County Council's Waste and Minerals Plans and Made Neighbourhood Development Plans.

Arun District Council's Development Plans:

Paragraph 215 of the NPPF ensures that specific policies in Arun District Local Plan 2003 can carry weight. The weight afforded to the policies with Local Plan policies can be assessed according to their level of consistency of the various policies with the National Planning Policy Framework.

Paragraph 216 of the NPPF confirms that weight can be given to policies in emerging plans from the day of publication. The Council resolved that the policies and maps in the Publication Version of the Local Plan be used in the determination of this planning application. Following 'publication' of the Local Plan a formal public consultation, examination and adoption process takes place.

The policies are published under Regulations 19 and 35 of the Town and Country Planning (Local Planning) (England) Regulations 2012. The statement of representations procedure and statement of fact produced by the Council under regulation 19 explains that the consultation will take place on 30th October 2014 for six weeks.

The Neighbourhood Development Plan

Where applicable, Neighbourhood Development Plan's (more commonly known as a neighbourhood plan or NDP), once made by Arun District Council, will form part of the statutory local development plan for the relevant designated neighbourhood area and policies within them will be considered in determining planning applications. Made NDP policies will be considered alongside other development plan documents including Arun District Council's Local Plan. Whilst an NDP is under preparation it will afford little weight in the determination of planning applications. Its status will however gain more weight as a material consideration the closer it is towards it being made. Arun District Council will make reference to an NDP when it has, by the close of planning application consultation, been publicised for pre-submission consultation(Reg.14).

Made Plans in Arun District Council's Local Planning Authority Area are: Angmering, Arundel; Barnham & Eastergate; Bersted, East Preston, Felpham, Ferring, Kingston, Littlehampton, Rustington and Yapton.

There is no Aldwick Neighbourhood Development Plan under preparation.

DEVELOPMENT PLAN AND/OR LEGISLATIVE BACKGROUND

Section 38(6) of the Planning and Compulsory Purchase Act 2004 states:-

"If regard is to be had to the development plan for the purpose of any determination to be made under the planning Acts the determination must be made in accordance with the plan unless material considerations indicate otherwise."

The proposal is considered to comply with relevant Development Plan policies in that it would have no materially adverse effect on the visual amenities of the locality or the residential amenities of the adjoining properties, nor would it have an adverse impact upon the established character of the surrounding area.

OTHER MATERIAL CONSIDERATIONS

It is considered that there are no other material considerations to warrant a decision otherwise than in accordance with the Development Plan and/or legislative background.

CONCLUSIONS

The application seeks to construct a single storey extension on the rear of the dwelling.

The property has an existing flat roof sun room extension on the rear that projects out by approximately 3m and this is to be removed. The proposed extension which has a hipped roof will be sited on the same footprint approximately 0.3m from the side boundary with No 9. It will measure approximately 4.55m in width, depth of 3.5m and a height of 4.2m. The extension by reason of its size and height is considered to be visually subservient to the host dwelling.

It was noted at the time of the officer's visit that a rear hipped roof extension similar to that proposed was being constructed at the adjacent property No 9 being sited to the boundary with No 11. From our records it appears that this extension has a rear projection of approximately 4.4m. In view of this it is considered that the proposed extension being sited behind this

extension would not create a loss of outlook or daylight to the occupiers of No 9.

The extension being to the rear will not be visible within the street frontage, now would it harm the established character and appearance of the surrounding residential area.

It is therefore recommended to approve the application, subject to conditions.

HUMAN RIGHTS ACT

The Council in making a decision should be aware of and take into account any implications that may arise from the Human Rights Act 1998. Under the Act, it is unlawful for a public authority such as Arun District Council to act in a manner, which is incompatible with the European Convention on Human Rights.

Consideration has been specifically given to Article 8 (right to respect for private and family life) and Article 1 of the First Protocol (protection of property). It is not considered that the recommendation for approval of the grant of permission in this case interferes unreasonably with any local residents' right to respect for their private and family life and home, except insofar as it is necessary to protect the rights and freedoms of others (in this case, the rights of the applicant). The Council is also permitted to control the use of property in accordance with the general interest and the recommendation for approval is considered to be a proportionate response to the submitted application based on the considerations set out in this report.

DUTY UNDER THE EQUALITIES ACT 2010

Duty under the Equalities Act 2010

In assessing this proposal a neutral impact has been identified upon those people with the following protected characteristics (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation).

RECOMMENDATION

APPROVE CONDITIONALLY

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby approved shall be carried out in accordance with the following approved plans received on 4th March 2015.

Location/Site dt 23.2.15.

Proposed Ground Floor Rev B dt 24.2.15.

Proposed Elevations Rev A dt 24.2.15.

Existing/Proposed Roof dt 23.2.15.

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policy GEN7 of the Arun District Local Plan.

- 3 The materials and finishes of the external walls and roof of the extension hereby permitted shall match in colour and texture those of the host dwelling.

Reason: In the interests of amenity in accordance with policies GEN7 and DEV19 of the Arun District Local Plan.

- 4 **INFORMATIVE:** Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
