**Subject:** TPO application at 19 Lee Croft.

Good afternoon,

I have had a phone call today from Mrs Susan Wingate, regarding the application for works to a TPO at 19 Lee Croft, PO21 3SY

With response to email received from Nicola Moore, she has asked me to send a response on her behalf as cannot send emails.

She has advised she is not a council employee or relative of one.  
She has advised that the trees were in situ prior to 1958 as believes the estate was built around the trees.  
She has advised that the height of the crown after works would be 6 meters roughly.  
Should you have any further queries, please do not hesitate to give her a call [REDACTED]

Kind Regards,

Mervyn
