Dear Mr Jennings,

You will have now received the discharge of conditions letters. With respect to the Tree protection condition, I made my recommendations prior to receipt of the Tree Officers comments which were late. I have now received his comments which I attach for your information. I cannot force you to make the amendments he requires as I have discharged the conditions but I thought I would let you see what he says so that you might make some changes.

Please also let me know about the brick & tile.

Thank you for your time.

Kind Regards

Dear Mr Jennings,

We have today approved the discharge of all of the conditions applied for. I believe you wanted the brick and tile returned. If so, can you let me know when you are going to come and collect them and I'll arrange for them to be on our planning reception on that day.

Kind Regards

Hello Mr Davis,

I've just realised I've not heard anymore from you re the tree expert confirmation. Just to tie up the final 'loose end' I take it everything is now OK?

Regards,

David Jennings
