Hi Jack

The email and phone number which has been submitted with this application/ on the application form are [REDACTED] both of which we could not get through too, it was only when doing another application earlier I came across this email address. With your permission I can update our system to remove the incorrect email/phone number and replace with the correct ones so that the same issue doesn't arise in the future if the same address applies for planning permission again?

Thanks
Sian
