Subject: Application for Works to Tree (TPO) - WSCC highway verge outside 3 Lucerne Court, Aldwick

Dear Mrs Grieves,

Your ref: AW/70/15/T

I refer to your letter dated 30th March 2015.

I understand it is usually preferred, where crown reduction is sought, to provide a linear measurement of the material to be retained. On this occasion, I felt it would be more helpful to the LPA's inspecting officer and any contractor who may attend to the work, if I specified material to be removed.

That said, please find attached photographs of the subject tree, taken on 1st April 2015, as requested, which I trust will enable you to process my application. I am unable to provide annotated images of the east and west aspects due to a restricted view from the public highway.

Yours sincerely,

Mark Warwick
WSCC Tree Officer
