Hi Simon

Please find attached photos, I am attempting to illustrate the following

A, How ugly the frontal additions actually are.

B, How passionate my wife and I are about Art Deco.

Your available file down load size would appear to be rather small so I will send them in a couple of emails

Regards Nigel

Dear Nigel,

You can email to me and I will then ask our admin team to upload them.

Please ensure the photos do not show any other third party data (faces, number plates etc)

Kind Regards

Dear Angus,

Please see further Tree comments (new additions in red text) and please provide an amended Arb Method Statement to reflect the required addition. I need this by the 7th August in order to provide Ctte with a written report update.

Kind Regards
