

131 BARRACK LANE, ALDWICK

Tree No	Species	Condition	Action	Reason
1	Sycamore	Multi-stemmed. Fair	No action	
2	Monterey pine	Twin stemmed	No action	
3	Tamarisk	Asymmetric	Remove cluster of lowest truncated branches at 2.2m	Good arboricultural maintenance
4	Sycamore	Pollarded at 1.5m with decay descending into main	Remove	To benefit others
5	Sycamore	Twin stemmed from ground level. Topped at 3m	Remove to benefit Tamarisk	Beneficial to other trees
6	Sycamore	Topped at 4m. Twin stemmed from 1m	Thin secondary growth by 20% removing thin, weak and crossing branches	Good arboricultural maintenance
7	Sycamore	Four stemmed coppice form. Topped at 3m	Remove to benefit 3, 6 and 8	Beneficial to other trees
8	Sycamore	Twin stemmed from 0.75m. Topped at 4m. Open cavity at 1m	No action	
9	Sycamore	Topped at 3m. Dieback at pruning points	Remove to benefit 8	Beneficial to other trees
10A	Sycamore	Topped at 3m. Severe asymmetry	Remove	To remove poor tree stock and allow replacement planting for greater public enjoyment
10B	Sycamore	Topped at 4m. Twin stemmed	Remove	To remove poor tree stock and allow replacement planting for greater public enjoyment
10	Sycamore	Twin stemmed from ground level. Topped at 5-6m	Remove	To remove poor tree stock and allow replacement
11	Sycamore	Topped at 6m and lower branches removed to 4m	Remove	To remove poor tree stock and allow replacement
12	Sycamore	Topped at 6m	Remove	To remove poor tree stock and allow replacement
13	Sycamore	Topped at 6m and side branches cut at 4m	Remove	To remove poor tree stock and allow replacement planting for greater public enjoyment
14	Sycamore	Severe asymmetry to north. Sharp deviation in	Remove	To remove poor tree stock and allow replacement
15	Sycamore	Topped at 6m and side branches cut back	Remove	To remove poor tree stock and allow replacement planting for greater public enjoyment
16	Sycamore	Lower trunk is hollow. Strong asymmetry to northeast. Dangerous	Remove	To remove dangerous tree.
17	Sycamore	Topped at 6m	Remove	To remove poor tree stock and allow replacement planting for greater public enjoyment
18	Sycamore	Topped at 6m. Surplus to requirements	Remove	To remove poor tree stock and allow replacement planting for greater public enjoyment
19	Sycamore	Topped at 6m. Surplus to requirements	Remove	To remove poor tree stock and allow replacement planting for greater public enjoyment

131 BARRACK LANE, ALDWICK

Tree No	Species	Condition	Action	Reason
20	Sycamore	Topped at 5m	Remove	To remove poor tree stock and allow replacement planting for greater public enjoyment
21	Sycamore	Topped at 3m	Remove	To remove poor tree stock and allow replacement planting for greater public enjoyment
